かみしばい Writing and Speaking Assessment Task

Create and present a かみしばい to your class/a group of peers.

- Write a story about a fun event or celebration.
- Include as much detail as you can, such as:
 - When it was
 - Who you were with
 - Where it was
 - What you did
 - What you ate
 - What you wore
 - What you bought etc
- As you write, think about how you could portray each scene as an illustration. You will need to divide your story into 4-8 scenes and decide what to draw for each scene.
- Draw your 4-8 scenes on A3 paper.
- Number them clearly – Card 1, Card 2...
- On the back of Card 1, write the text for Card 2. On the back of Card 2, write the text for Card 3 and so on. The text for Card 1 is written on the back of the very last card.
- Practise reading the story and handling the cards correctly.

かみしばい is a traditional form of Japanese storytelling. Each story usually contains a dozen or more pictures and the text is written on the back of each picture. When telling the story, the speaker faces the audience and reads the text on the back of the pictures. So the story flows smoothly, the text for each image is written on the back of the previous picture.
